

Student Resources

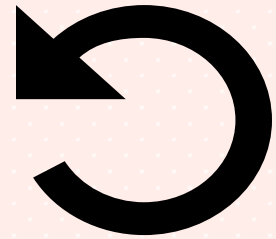

VPN

UF's virtual private network (VPN) allows for off campus access to University and Library resources. It can be downloaded from the University IT website.

Curbside Pick Up

Until August 14th, you will be able to request books to pick up in person. Any materials not picked up by August 21st will be held until the reopening on August 28th

Returns

Due dates for library materials have been extended until September 4th. To return materials, use the book drops at Library West, the Health Science Center Library, or by mail.

Research Guide

This library resource offers comprehensive assistance on every aspect of utilizing the library for research. Includes instructions on how to access books, online resources, cite sources, and much more!

Ask a Librarian

If you need assistance with research, accessing library materials, or have any questions, you are encouraged to use the Ask a Librarian service. It will connect you with a University Librarian who can assist you.
